How do I get a refund or cancel my subscription?

If you unsubscribe before your FREE, 1 week trial ends, you will not be charged.

If you are past the free week, you could try to get a refund by sending a request to Apple: [Request a refund for apps or content that you bought from Apple](#).

Note: Apple manages refunds and we don't have control on whether you will get one or not. If you don't do this often and you are within a week or so into your subscription, you should have no issues.

To cancel your subscription, see this link: [How to cancel a subscription from Apple](#)
