General

How does the 1-Week Free Trial work?

When you purchase the 1 Month or 1 Year subscription you have 1 FREE week to evaluate ScoreCam using the version you pruchased. Payments will be charged to your account after the 1 week trial period and your subscription will start at the end of your week trial.

If you decide you would like to cancel the subscription, you can do that by following these instructions which are provide by Apple.

You will still be able to use ScoreCam until your free week has expired, so be sure to take advantage of that! If you decide later you do want to subscribe, after you have cancelled, you can simply repurchase the subscription... but you will not keep getting a free week trial each time.
